On-grid Tariff Adjustments

China Resources Power Holdings Company Limited (“CR Power”, Stock Code: 836) today announced that tariffs for some of its power plants have recently been adjusted.

The National Development and Reform Commission announced adjustments to on-grid tariffs for coal-fired power plants in China with magnitudes varying for each region. Adjustments are effective from 1 September 2014.

Please refer to the attached table for a summary of on-grid tariff adjustments applicable to CR Power’s plants.
